Introducing the DISCUSS indicator set in farmers’ discussion groups

Hilde Wustenberghs¹, Davina Fevery², Ludwig Lauwers¹, Fleur Marchand¹, Pieter Spanoghe²

(1) Institute for Agricultural and Fisheries Research, Social Sciences Unit (ILVO)
(2) Ghent University, Dept. Crop Protection

What? Dual Indicator Set for Crop protection Sustainability Surveys

Why? Learn how to increase sustainability ⇒ Systemise issues

Who? Farmers in group discussion with peers, facilitated by an advisor

How? Indicators as starting point for the discussion

⇒ One composite index?
⇒ Visual representation
⇒ Indicator weights

NO, maximum aggregation at 2nd level
Several possibilities at different levels

Assigned by experts ⇒ prioritise issues
